FB Note on "**ADVANCED WIZARDS**" organized by *Parivartan Technical committee* CGC on *3 Nov, 2022*

Event Objective: On *3 Nov, 2022* Parivartan Technical committee, CGC conducted "**ADVANCED WIZARDS**" with an objective to test the technical knowledge of participants.

About the event: Sometimes, a healthy competition is must for one to know about his/her skills and to encourage them to learn about new things. On *3rd Nov, 2022* Parivartan Technical Committee hosted a Quiz competition "**ADVANCED WIZARDS**". It was a basic 3 round quiz competition with eliminations happening in each round. Total Participation of around 104 students was observed. The first and third round were played individually whereas the second round was played by dividing students in team of 4 each to test their team skills. The competition proved to be very beneficial for the students as they not only got to test their knowledge but also enhance it. The event was sponsored by "**HOSTHEAL** – *India's best website hosting platform*". The participants were giving certificates and a coupon worth a month of free hosting. The prize pool was worth **Rs 6000**. Along with cash prizes the first three winners were awarded ***with 1 year, 6 months and 3 months of free domain*** respectively.

Event Outcome: This "**ADVANCED WIZARDS**" aided the students in enhancing their technical skills and enabled them to enhance their knowledge.
